GENERAL DISCLAIMER

DEVIATION: Please note that there are deviations inherent to the printing materials and techniques. The deviations are within standard industry tolerance and hereby deemed acceptable by customers.

3D PRODUCT IMAGE: The 3D product image shown here is purely for reference purpose. Please refer to the schematics for precise dimensions.

COLORS: Please note that only the PANTONE coated color system is accepted to match the required colors (unsupported color systems: PANTONE uncoated, PANTONE TPX, CMYK, RGB, etc.). A color deviation of +/-10% is tolerable by industry standards. When colors are not specified, based on our experience, we would recommend popular colors from the PANTONE coated system. If your logo has a specific color set using other color systems, we would convert it to the closest PANTONE coated colors based on the display colors on our screen, however, accuracy in color conversion is not guaranteed.

DIMENSIONS: Please allow a length deviation of +/-10mm.

POSITIONS OF DESIGNS: Please allow deviations of +/-1mm (vertical) and +/-10mm (horizontal) from your artwork.

CLARITY: The clarity of printed image may be slightly decreased due to the characteristic of the material used.
