## GENERAL DISCLAIMER

---

**DEVIATION:** Please note that there are deviations inherent to the printing materials and techniques. The deviations are within standard industry tolerance and hereby deemed acceptable by customers.

**COLORS:** Please note that only the PANTONE coated color system is accepted to match the required colors (unsupported color systems: PANTONE uncoated, PANTONE TPX, CMYK, RGB, etc.). A color deviation of +/-10% is tolerable by industry standards. When colors are not specified, based on our experience, we would recommend popular colors from PANTONE coated system. If your logo has a specific color set using other color systems, we would convert it to the closest PANTONE coated colors based on the display colors on our screen, however, accuracy in color conversion is not guaranteed.

**DIMENSIONS:** Please allow a length deviation of +/-5mm.

**POSITIONS OF DESIGNS:** Please allow deviations of +/-1mm (vertical) and +/-5mm (horizontal) from your artwork.

**FRAYED EDGES:** Please note that fraying may appear on cut.

## SPECIFIC DISCLAIMER

---

- Please note that in order to fit to the product size, certain parts of your design on the scale-down version might be illegible.

## ACKNOWLEDGEMENT

---

**Please confirm the above information is accurate (design, spelling, color, dimension, attachment, adds-on option, imprinting technique, packaging, delivery address etc.). Please note that we are not able to cancel or modify orders (including delivery address) once the orders go into production (after 7PM East Time on the day we receive your confirmation).**

**I acknowledge the above information is correct and I agree to accept all parts of this disclaimer.**
